

PACIFIC
BUILDERS

July 7, 2020

To whom it may concern,

I have personally worked with Mary Longoria and Pink Ribbon for 14 years and I know she has worked with our company since Pink Ribbon opened in the mid 1990's. Mary and her team have always been an incredible partners and assets in a sometimes taken for granted trade of cleaning.

Many contractors feel like they can simply have anyone clean their projects but at Pacific we understand the value of a cleaning company who takes as much pride in our projects as we do and who values delivering an excellent finished product.

Mary embodies the sprit of her company and she is always there ready to bend over backwards to deliver whatever is asked of her at a moments notice. I know that I (we) can count on Mary and Pink Ribbon to do whatever it takes day or night, weekends or holidays to make it happen.

I recommend Mary and Pink Ribbon to any company on the planet to take care of your cleaning and sanitizing needs. Pink Ribbons quality and customer service is unmatched. They are simply the best around and I count my self fortunate to have a personal relationship with Mary and to be able to work with her team on a regular basis.

Sincerely,

Joe Wood
