Dear Mary,

It is with great pleasure I recommend Pink Ribbon Cleaning Services for any commercial office cleaning a client might require. We have had tremendous success in our partnership on projects ranging from new and remodel commercial office space to damage mitigation after unforeseen storms and flooding.

Mary I'm also writing to thank you and your personnel for a company wide dedication to the successful completion of our construction projects. This has been the case for over 20 years! It is rare to find a subcontractor with dedicated personnel from ownership down to the newest hire. Pink Ribbon always goes above and beyond on each project. We can always count on you to help us meet tight deadlines and perform intermittent and final cleaning that allow our clients to hit the ground running.

Again, I'd like to thank you personally and assure you that I would recommend you and your company without hesitation to anyone from a client to a personal friend.

Best Regards,

Justin L. "Jay" Wunch  
President
